Yes, you need to speak with Scott Cameron. I've copied him on this email. KB

Kathy Good to chat with you yesterday. I received a request from the Speaker of the Idaho Legislature (Scott Bedke) to set up a call with someone at Interior re: invasive species particularly water-related. I would assume that would be the beachhead person over Fish, Wildlife and Parks or Bureau of Reclamation. Could you please direct me to the appropriate contacts?

Many thanks, Tom
