Re: Our File No: 7158
Insured : Armstrong Cork Company
Claimant : Willard Crader, Deceased

Dear Mr. Hofferth:

Your attention is drawn to our inquiry of August 5, 1966, concerning the above matter.

If that inquiry has been misplaced, this is to advise the background of the matter. The widow, in this matter has cited Reliance Insurance Company, in addition to other defendants, alleging a death claim under the Workmen's Compensation Code of the State of California. The Application on behalf of the widow alleges that the deceased was employed by your firm in the periods 1950, 1952 and 1953, for which period you were apparently self-insured. Also from 1955, 1956 and 1960, during which time your coverage was carried by Travelers Insurance Company. Additionally, by Los Angeles Cork Company of 4180 East Washington, Los Angeles, for the period 1955 through 1957, and also by Armstrong Contracting of Lancaster for the years 1960 through 1962, at which time your coverage was again carried by Travelers Insurance Company.

Our concern is for the years 1955 through 1957. Inasmuch as litigation is now scheduled for the early part of November, I would very much appreciate your consulting your records for not only the policy period for the latter dates, but also for the years 1950 and 1951.

I would very much appreciate hearing from you at your earliest convenience.

Yours very truly,

J. D. McGaughey
Claim Supervisor

NOTE — The contracting operations of Armstrong Cork Company and Armstrong Contracting and Supply Corporation have ALWAYS been insured - never self-insured.

The only location where we have self-insurance is our South Gate, California Plant, which is entirely separated from our contracting operations, and which has been self-insured from Jan. 1, 1960.

Re: L. J. Crader / Willard R. Crader, Sr.

In answer to your letter dated July 11 to Mr. Hofferth we attach three copies of a data sheet showing all the information we have available on Willard R. Crader, Sr. Because of our Retention of Records schedule we have nothing prior to 1956. The first date of hire our records show is December 19, 1955 and continues through to May 3, 1962 when his employment was terminated because of "No Work."

We also list his earnings for the last full year he was employed by us.

Also attached is copy of letter dated June 29 to the Workmen's Compensation Appeals Board in Pomona correcting information as to our insurance carriers.

Willard R. Crader, Sr. SS #572-05-5511

10603 Valencia St.
Bloomington, Calif.

This man died March 7, 1966 allegedly from asbestosis. Date of accident is listed as March 3, 1964.

According to application to Industrial Accident Commission of California he worked for Armstrong Cork Company in 1950-52-53-55-56-60 and for AC&S in 1960-61 and 62. As AC&S took over contracting business January, 1958, I believe it is in error that he worked for Armstrong in 1960. - It was AC+S

Will you please give me as much information as you have on this employee - periods of employment and reason for leaving. Go back as far as you can, although I realize that some records have been destroyed.

Then too I would like his weekly earnings for the last year he worked for us, presumably 1962.

Thank you.

This application was filed on behalf of Willard R. Crader, Sr., deceased husband of the applicant. Application is made for all benefits due under the Workmen's Compensation Act.

The listing of employers attached to the application shows Armstrong Cork Company as a self-insurer of its workmen's compensation liability for the years 1950-52-53. We wish to advise that we were not self-insured during that period. We were insured by Standard Accident Insurance Company, now the Reliance Insurance Company in 1950 and 1951; and in 1952 and 1953 we were insured by The Travelers Insurance Company.

We ask that you kindly correct your records accordingly.
