Subject: Meeting with Administrator Pruitt

I would like to arrange a meeting with Administrator Pruitt to introduce him to NSSGA. NSSGA represents the aggregates industry, which provides the raw material in asphalt, concrete and cement used in nearly every construction or infrastructure project and employs over 100,000 in the U.S. We are very encouraged about the direction of EPA under Administrator Pruitt and would like to discuss our industry's unique issues, including air and water issues such as WOTUS and Conductivity. Please let me know if I can provide any additional information. We would like an in person meeting with our President and CEO, Michael Johnson, Senior Vice President, Government and Regulatory Affairs Laura O'Neill-Kaumo, myself and Administrator Pruitt. We realize this is a very busy time for the Administrator, but would greatly appreciate a short meeting to discuss our industry's issues.

Hi Julie,

We would be unable to do Tuesday. The call is about the letter re: CPP that our office sent to yours last week. Please let me know if Monday could still be an option. Thank you!

Sydney, Unfortunately I have him in the air at that time. Would a Tuesday call or possibly a Monday morning call work?

Hi Julie,

Hope this email finds you well! I am reaching out in hopes to schedule a short, 5 min call between Gov. Burgum and Administrator Pruitt tomorrow afternoon between 2:45 and 3:45 EST. If this is something we might be able to get on the calendar, I would appreciate it. He is just wanting to discuss a letter that our office sent out last week.

Thank you!
