DOCUMENT DESCRIPTION: Internal Memo RE Asbestos Warning for Delco Moraine

March 10, 1976

A. Schmaltz

SUBJECT: Asbestos Warning For Delco Moraine -
Your Letter March 3, 1976

As you know the asbestos warning is imprinted on all of our shipping cartons. The only place we ship kit boxes to Delco Moraine is disc brakes.

Attached is a sample label secured for GMC - we can use this label or a similar label on Delco Moraine disc brakes. Our label cost is .00852 each. Our ship cost to apply the label to each disc brake kit box is .0125 each.

We can begin applying label the sample when instructed to do so. Will take 2-3 weeks to get a new label. Applying label will not effect our inventory of full or empty boxes.
