Dear Doctor Papantoniou:

I am attaching to this a copy of a letter which I have received from Dr. Robert A. Kehoe concerning the cases of probable TEL poisoning in Athens recently. You will note that Dr. Kehoe would like very much to have any case records which may be available. Therefore, I would appreciate it very much if you would send me what material you can gather on the clinical histories of the men involved in the recent tank cleaning episode.

With kindest regards,

Sincerely yours,

George M. Saunders
