Rose,

Please see Melissa's response. I didn't understand what you meant earlier about forwarding Melissa your email, but now I do. At least it got her attentions, yikes.

Is there anything in particular I should mention in my response other than making arrangements for pick up?

Thank you.

We don't have Special Electric Exhibits. What we do have for JM will need to go on a disk. I don't think we have any other deliveries going into town today. do you want us to mail the disk or do you want to pick it up?

Melissa

Melissa,

I still haven't seen a response to my request for the defense exhibits in the Frary matter. Can you please let me know when I might expect a response? The filings are almost a month old, and we need to prepare for upcoming deadlines?

Thank you.

Nothing to date, I have asked Melissa 2 times. See attached. The second inquiry was on on Wednesday of this week. Let me know if you would like to request these docs again today.

Thank you.

What is the status on this? My apologies in advance if you responded to Geri on this. She is out on family matters.
