Mr. J. J. Fitzgerald,
Lumber Mutual Casualty Insurance Co. of New York,
1012 State Tower Building,
Syracuse, New York.

Dear Mr. Fitzgerald:

I received your letter of September 18, together with the draft for \$128.09. Please accept my thanks for your promptness.

I also have your letter about my reply to Dr. Reznikoff and note your further comments in your last letter. I do not consider that my letter to Dr. Reznikoff is any part of the record of this case, and despite Dr. Reznikoff's apparent belief that I had forwarded a copy to you, I still do not consider it proper professional courtesy to supply you with this letter. It was private communication between two doctors, and I should prefer to consider it in that light. I did not mind showing it to you, and I did so largely to offset in your mind any doubt as to the position I had taken in the matter, and any skepticism that you might have had concerning the evidence in support of my previous statements. The evidence which I reviewed in my letter can be found in published articles and need not be emphasized for the purpose of the record by my additional comments on it.

I trust you will understand my point of view and will not be too much disappointed by it.

Cordially yours,

Robert A. Kenoe, M. D.
