Messrs.W.P. Fuller & Co ,
San Francisco, Calif.

Gentlemen:-

ADVERTISING NOVELTIES:

Referring to your letter dated Sept. 21st, beg to state the E.A. Shank Sign Co. of New York have quoted us a price of 92¢ each on Pure Prepared Flange Signs, size 14 X 20, in lots of 500, fob their Western Plant. Signs to be painted the same as your sample. They say they could make shipment in about six weeks from receipt of order.

We doubt very much if we will be able to obtain quotations on the Twine Holders and Wind Signs in this market, as these are patented articles.

We expect to receive additional quotations on the Flange Signs which we will forward as soon as possible.

Very truly yours,

W. P. FULLER & CO.
