Newport News, Virginia

Dear Mr. Carleton:

Thank you very much for the time and courtesies which you extended to our representative, Mr. Frank Williams on his visit with you on November 27th.

Enclosed with this letter you will find a sample of lead loaded sound control cloth and approximately 1/2 yard of our 2052 mylar coated Asbestos cloth, coated both sides. Mr. Williams asked would you please forward these samples to Mr. Baxter in your pipe insulation department.

Thank you again for the time and courtesies which extended to Mr. Williams and please call on us any time we may be of service to you on any of your Asbestos textile requirements.

Yours very truly,

Harold F. Jones
