

At Last! a ONE COAT WALL PAINT that IS Really WASHABLE

**SHERWIN-WILLIAMS
ONE-COAT
FLAT-TONE**

An entirely NEW type of Wall Paint

★ One-Coat FLAT-TONE is a tribute to the resourcefulness of Sherwin-Williams laboratory technicians and paint specialists. Made by an EXCLUSIVE S.W. formula from especially selected pigments, oils and ingredients which assures a definitely superior, positively-washable, flat Wall Paint.

• EXCELLENT BRUSHABILITY!

One-Coat FLAT-TONE flows off the brush smoothly, evenly—goes on easily, without "pull" or "drag." Takes less effort to apply—saves time!

• READY-TO-USE!

Take home a can of FLAT-TONE and start painting. The beautiful shades are scientifically blended and its controlled quality means satisfaction.

• DRIES RAPIDLY!

Dries to the touch in four hours—hard and beautiful overnight.

• EASY TO CLEAN!

No finger mark problems. All dirt, grease, grime washes off readily—with regular paint cleaners; without heavy scrubbing!

Luxurious, Velvety Finish

One-Coat FLAT-TONE provides a pleasing easy-on-the-eyes finish with a soft, slight sheen. A favorite with decorators! It's practical—stays beautiful longer, because it can be washed over and over again. One-Coat FLAT-TONE is remarkably durable, too. The surface stays tough, resists the ravages of time.
