December 23, 1966

D. W. Anthony - Toledo
R. C. Grant - Toledo
M. Hardwick - Berlin
W. Johnson - New York
L. Sadowsky - New York
V. Vandivort - Toledo

Mr. Briley has directed that a caution notice be placed on Kaylo cartons. The carton PAD's for both Pipe and Block are being revised so that this caution notice will be pre-printed.

Meanwhile, secure a stamp in accordance with the attached sketch and have all cartons of Kaylo stamped with this notice prior to shipment. The stamped notice should be placed on a blank side of the carton near the top.

If there are any questions concerning the above, please advise.
