Attn: Mr. Joe English

Re: Cottrell Addition  
El Paso Plant

Gentlemen:

With reference to previous conversations relative to accepted alternate procedure for caisson placement and placement by auger drilling and removal of caissons as concrete is poured, we herewith confirm our offer of credit in the amount of \$6,400.00 if proposed new method is acceptable.

This method is based on resultant excavations as performed for two test holes on position at Cottrell Site.

Please advise immediately if this proposal is acceptable.

Very truly yours,

SOUTHWESTERN INDUSTRIAL  
CONTRACTORS AND RIGGERS, INC.
