Thanks for making the connection, Danny! Moving you to bcc.

Hi Lauren! Good to connect with you again post-Paris. I'm trying to come up to speed on NASA in a hurry and I recall you telling me that you worked there for a time before coming back to the Hill. Would you have some time to grab coffee this week and share your insights into what I should be looking out for? Alternatively, I could do a phone call early next week if that's easier for you.

Best,

Ryan

Hi Lauren and Ryan,

Wanted to make sure you two were in touch to catch up on all the exciting recent happenings! I leave it to you two to find time to jump on a call, grab a drink, or whatever works best to connect.

Have a good weekend!
Danny
