Mr. J. A. Kelley
Executive Vice President
Zonolite Company
P. O. Box 217
Travelers Rest
South Carolina

My dear Mr. Kelley:

I have read the letter from Mr. Clemmons of the Bureau
of Mines regarding the asbestos in the Libby ore. It looks as
if their condemnation was pretty well founded. Maybe we should
forget it for the time being.

Sincerely yours,

/s/ A. M. Gaudin
