

Environmental Health Department

October 3, 1980

TO: Official Members - LIA
All Members of the LIA Environmental Health Committee

FROM: Jerome F. Cole

Enclosed is a copy of our Petition to the Supreme Court on our challenge to the EPA National Ambient Air Quality Standard for Lead.

As you know, the U.S. Court of Appeals for the District of Columbia Circuit upheld that Standard in a decision handed down on June 27, 1980. This Petition is in line with the suggestion of the LIA Environmental Health Committee.

It is not possible to predict when the Supreme Court will act on this Petition.

Sincerely,

Jerome F. Cole
Director, Environmental Health
