Dear Doctor Kehoe:

As you have probably heard by this time, the meeting of the American Industrial Hygiene Association and the American Association of Physicians and Surgeons is to be held in Rochester during the period May 17 to 20, inclusive. The Governmental Industrial Hygienists will meet with us and will hold their meeting on Monday, the 17th. The A. I. H. A. will meet on Tuesday and Wednesday morning, and the A. A. I. P. S. on Wednesday afternoon and Thursday.

If you have any work that you could present at this meeting, we should very much like to have you do so. I fully appreciate that you are extremely busy, and will not feel that you are letting us down if you are unable to present a paper. Nevertheless, if at all possible it would be nice if you would have something to present.

With best regards.

Sincerely yours,

H. H. Schrenk
President-Elect
