Dear Dr. Kehoe:

We have sent you about two dozen specially prepared tubes, one dozen marked No. 1 and the other dozen marked No. 2. Both of these lots were cleaned and prepared as your suggested by under slightly different circumstances in our Plant. We would appreciate it, if it isn't too much trouble for you, if you would have these tubes tested and let us know the results.

We believe we are now getting on the right road to this cleaning problem. We will await your report with interest.

Thanking you for your cooperation, we are

Sincerely yours,
