

November 14, 1975

Mrs. Hazel M. Graham
Library Clerk
Health Services Division
Community Pesticide Study Project
P. O. Box 190
Wenatchee, Washington 98801

Dear Mrs. Graham:

In response to your letter of October 15, I am enclosing the American Society for Testing and Materials' method for analysis of environmental materials for polychlorinated biphenyls. This is the same as the Monsanto methodology you requested.

I hope you find this information helpful. If I can be of further service please let me know.

Sincerely,

W. B. Papageorge
Manager, Product Acceptability
Process Chemicals Division
