Dear Secretary Wright,

On behalf of the New Mexico Oil & Gas Association (NMOGA) Board of Directors, congratulations on your confirmation! We are excited to continue working with you and your team and appreciate your expertise and vision.

NMOGA is a coalition of oil and natural gas companies, individuals, and stakeholders dedicated to promoting the safe and environmentally responsible development of oil and natural gas resources in New Mexico. Representing over 200 member companies, NMOGA works with elected officials, community leaders, industry experts, and the public to advocate for responsible oil and natural gas policies and increase public understanding of industry operations and contributions to the state.

As you know, New Mexico is the second largest oil producing state in the country and fifth in gas thanks to the high productivity and profitability in the Permian and San Juan Basins. The industry provides over 100,000 direct and indirect jobs. Oil and gas contributed over \$13 billion in state and local revenue in 2024 alone.

We will be celebrating our 97th anniversary during the:

NMOGA Annual Meeting
October 7-8, 2025
Santa Fe, New Mexico

We would like to invite you as our keynote speaker on the afternoon of Wednesday, Oct. 8.

The Annual Meeting averages 1,000 registrants including oil and gas professionals, state regulators, and local and state elected officials. We know you will bring valuable insight and excitement to the event, and it would be an honor to host you. We will work with you and your team to determine the best travel options and speaking time.

Thank you for your leadership and consideration. We would love to have you back at our conference in your new role!

Sincerely,

Missi Currier
