

1 Foreign Motors for a number of years, what, into the
2 '80s, I guess?

3 A Yes.

4 Q Do you recall Mr. Grewe ever telling you
5 that you needed to use a dust mask when you were doing
6 brake work?

7 A We know it only on the end before I left,
8 you know. We was taking some white thing and putting
9 on or sometime we use a can to spray it to clean up
10 the dust. This was on the end. This was after eight,
11 ten years.

12 Q So that would have been about 1980? Just
13 roughly?

14 A I don't remember.

15 Q Okay.

16 A It was long time when I worked with no mask,
17 no nothing.

18 MR. WILLIAMS: Thank you, Your Honor. I
19 have nothing further.

20 THE COURT: Thank you, Mr. Williams.

21 Mr. Smith, do you have any redirect, sir?
