Tate, Liz – Profuse apologies for having to leave the meeting so quickly, had a five alarm fire. So sorry.

Keith

Hey guys! Thanks for having us out today! We will hopefully see some of you on Monday and please send me ideas on any future in-state engagement activities. In the meantime, feel free to follow-up with Liz and I separately on how we can facilitate a better flow of information to you guys on a routine basis. We got some great ideas from you all today, but want to keep the conversation going.

Best.

Tate
