

TODAY'S BIGGEST DECORATING NEWS!

Fuller gives:

- widest selection of smart interior colors!
- easiest way to choose exactly the colors you want!
- most practical Color Planning help—free!
- best folders to give you painting "know-how"—free!

Never before so many stylized paint colors! So rich, so smart, so modern! And in such fine paint quality!

Nowhere else so much free, easy-to-use decorating help—help so practical it answers all your decorating problems!

See Fuller's new colors. Use Fuller's free help. Find out how surely you can be modern, yet be in such good taste you'll enjoy your room for years to come.

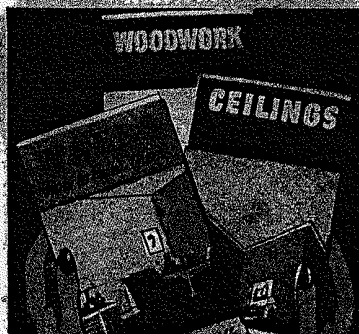

Be sure when you choose colors. Forget color cards with pasted down chips that offer so little variety. They're out! Fuller's Jewel Case offers you 144 new interior colors—deep tones, shades, tints, pastels and enamels. Yes, 144 decorator-selected color

swatches as big as calling cards. And they're loose—you can pick them up—compare—match—experiment. You'll be amazed at what you can do, when you have a chance. A new thrill in color planning! A new kind of help in home decoration!

Be sure your Color Plan is right. Take home color swatches in a free Color Plan folder. Compare with your upholstery, drapery. Color Plan folders work wonders solving decorating problems!

Be sure when you match fabrics. At home or at a store, your personal Color Plan folder guides you safely to color harmony for your whole room. You don't ask furniture or drapery salesmen about colors—you show them! Fuller decorator colors are styled right with the newest fabrics—smart, modern, livable colors that paint pride into any room.

Be sure when you finally decorate. Fuller goes all the way for you—with free "How to Paint" folders for walls, ceiling, woodwork. Easy, step-by-step, "know-how" rules to follow. What you need, what you do—and how. A "How to Paint" folder is a good guide for professional looking results!

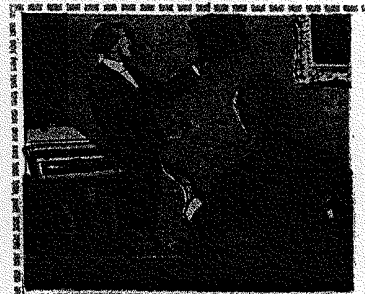

"Years ahead"—

SAY LEADING DECORATING AUTHORITIES

These nationally known Color Consultants are using Fuller decorator colors. They know color. Read what they say!

MILLARD SHEETS, Dean, College of Fine Arts, Scripps College: "Fuller's colors are years ahead...give high intensity, vitality of color...amazing covering power...greater lightproofness."

ELIZABETH BANNING, Professional Consultant, San Francisco and Los Angeles: "Fuller's smart colors are remarkably clean...easier to use...an outstanding contribution to color planning."

Be sure when you consult your Painting Contractor, too

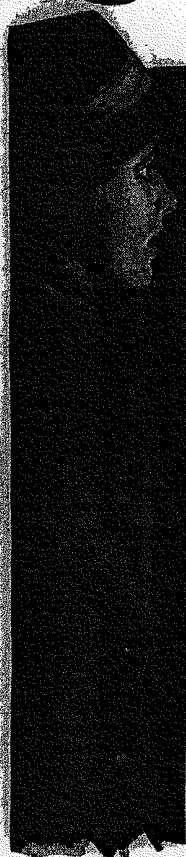

Painting Contractors all over the West are using Fuller's Color Control Plan. Ask your Painting Contractor. See his paint-out size color cards—easy, quick way to accurate color selection. He has Jewel Case color swatches for you, too. He's modern. He uses Fuller's modern Color Control Plan. He'll help you be modern!
