Dear Doctor Kehoe,

I want to thank you very much for your kindness in sending your extensive bibliography and your publications on the lead problem. I have read your comments with great interest.

It was very nice seeing you at the A.P.I. meeting in New York, and I am looking forward to seeing you again.

Many thanks again and my best wishes for the New year.

Sincerely,

Umberto Saffiotti, M.D.
Associate Professor of Oncology
