Re: Comments in Response to EPA's Proposed
Test Rule for 1,1-Dichloroethylene

Dear Sir or Madam:

Enclosed are the five articles which were unavailable at the time of filing the Chemical Manufacturers Association Program Panel's comments on the vinylidene chloride proposed test rule. These articles correspond with numbers 22, 39, 48, 62 and 69 in the Supplemental Materials. I would appreciate it if you could insert the articles in their respective positions in the Supplemental Material volumes in the above-referenced docket.

Very truly yours,
