Can someone tell me will the meeting be at 1200 Pennsylvania Ave NW, Washington, DC 20004? And are you aware of where Mr. Knell should enter to be admitted through security? What instructions should I give to Mr. Knell and attendees.

Corrected with Claire's title.

September 12

2pm

EPA Administrator Pruitt's Office

Attendees: Gary Knell, CEO National Geographic , Claire Jones (Vice President, Strategic Communications

National Geographic Society) , Jessica Garrison , Phil Anderson (principal of Navigators Global and advisor to National Geographic)

Hi guys. This is the form I filled out for the September 12 meeting. Although the sept 14 salon dinner has been postponed and as we've discussed before Mr. Knell hopes to maintain this appointment as a way to meet Administrator Pruitt and develop a relationship. Mr. Knell has a strong desire to be supportive to the Administrator on

behalf of National Geographic. The salon dinner was postponed to Q1 of 2018 so that the Board of Directors for National Geographic can attend the event. Here is a link to nat geo's board: <https://www.nationalgeographic.org/leadership/board-advisors/> . I just noticed that Brendan Bechtel is a member. Administrator Pruitt knows the Bechtel family from visits to their San Francisco office while he was AG. Brendan's grandfather Stephen Bechtel jr. was chief executive over the Hoover Dam project while also President of Bechtel. Amazing 119 year old family business . Also Jean Case is chairman. She is a former exec at AOL and her husband Steve Case was a co-founder of AOL. Very good board.
