Re: New York City Plastics
Container Tax Case
Index No. 15525/71

Gentlemen:

Since we believe we are correct in assuming that almost all of you have a direct or indirect interest in the New York City plastics container tax case, I thought I would supply every member of the Committee with a copy of a letter we directed to our rather extensive "informal mailing list" on the case today. Attached to your copy of this letter is a copy of Justice Streit's very favorable Decision declaring the New York law involved "unconstitutional, invalid and void."

We hope that you will enjoy reading the Decision as much as we did. If you have any questions about the matter after you look it over, please do not hesitate to let me know.

Cordially yours,

Jerome H. Heckman
