

1 go ahead and try.

2 Q Okay. Have you been able to work since the
3 middle of December of 1992?

4 A No, I haven't.

5 Q Mr. Grewe, what is your understanding of the
6 disease that you have?

7 A That there is no known cure for it. There
8 is nothing they can do other than try to maintain the
9 pain, that I will progressively get worse and
10 eventually I will just be deceased.

11 Q Why did you approach a lawyer to file a
12 lawsuit against the companies that are represented
13 here today?

14 A Mostly on behalf of my wife and children.
15 They won't have any means of income once I am gone,
16 and I am looking out for their behalf.

17 Q What is your understanding of what has
18 caused your medical problems?

19 A Asbestos dust.

20 Q And how did you come to that understanding?

21 A The doctor said that the only way that you
