

DU PONT HOUSE PAINT *CLEANS ITSELF!*

Dirt and grime can't get a grip on exterior surfaces finished with Du Pont House Paint. It rains just wash them away—leaving the paint sparkling clean!

SELF-CLEANING Du Pont House Paint is so formulated that, as time goes by, a microscopically fine white powder forms on the surface. Heavy rains wash the powder away, taking dust and dirt with it, and leaving the surface clean and white again. Excessive accumulations of dirt (particularly in sooty industrial communities or in heavily shaded locations) may delay or interfere with this process. Because this "self-cleaning" is gradual, the

wearing qualities of the paint film are not abnormally affected.

SELF-CLEANING Du Pont House Paint is as durable as it is beautiful... protects against rust, rot, and decay... gives lasting beauty and protection. Costs no more than ordinary paints—saves repainting bills! Call on a reliable painter for your painting jobs, and ask him to use Du Pont House Paint!

DU PONT TUF-COTE BARN PAINT

For economical protection for barns and outbuildings. Semi-paste—one gallon, reduced with linseed oil, makes 2 gallons of paint. Tough—durable.

BETTER THINGS FOR BETTER LIVING... THROUGH CHEMISTRY
