Subject: *Nevada Power Co. v. Monsanto Co., Case No. CV-S-555-LDG (LRL)*
(D. Nev.)

Dear Laurie:

In response to our telephone conversation this afternoon, I am enclosing a copy of the Employee Injury Experience of the Electric Utility Industry for 1978. This document is representative of the other injury reports. As we discussed, the document is covered under the 1989 confidentiality agreement.

During our conversation, you indicated that since the documents did not appear to contain information on PCB-related injuries, that you would probably withdraw your *subpoena duces tecum*. Please call me at (202) 508-5104 or Larry Brown at (202) 508-5618 to discuss an appropriate way to withdraw the *subpoena*. We would suggest that you file a response to EEI's motion with the D.C. court indicating that you have withdrawn the *subpoena*.

Very truly yours,
