Hi Mimi!

Audrey Barrios, Mike Kopp and Andrew Rapp, all senior advisors to Sec. Wright will be joining!

I will let you know if I hear of any changes! He has not mentioned any topics to me, but we are looking forward to having Darren and your team at the DOE next.

Please let me know if you need anything else.

Izzy

Good morning Isabelle. Will any staff be joining the Secretary's meeting with Darren? Are there any issues the Secretary would like to raise with Darren?

Thanks for any insights.

Best, Mimi

No worries, I thought I would give it a shot, since I know May 5 is a busy day. We are set for May 5.

Thanks again. Mimi

Hi Mimi!

I hope you are doing well! We are looking forward to Darren's visit here soon. Unfortunately, Sec. Wright is traveling most of April, so the 21st will be hard for us to make happen. I'm sorry about that, please let me know if you want to look into alternative times in May, we have a little bit more flexibility then!

Have a great week,

Izzy

Good morning Izzy. Darren will now be in DC on April 21 for the afternoon. Does it work better for the Secretary to meet on the 21st? If so, Darren can meet between 1-3pm and 4-6pm. If not, we will see you on May 5th.

Thanks for checking.

I don't have a final list of names, but Darren travels with security, so he will have one security person with him. I expect Jamie Wall VP of the DC office will attend, and possibly one more executive from Houston or myself. I will get you a final list as we get closer to the meeting date.

Great, thank you Mimi!

Who will be attending with Darren? I'm also looping in our Logistics team to help with entry instructions.

Hi Izzy- Sorry I missed you, I am in back to back meetings this morning! With that said, 3 pm on May 5th is perfect!

I know I need to resubmit the form you previously sent, and I will do so. Let me know if you need anything further from me.

Thank you! Mimi

Hi Mimi!

I hope you had a great weekend as well. I just tried to give you a call to talk through some options but as of now, the afternoon of the 5th works for a meeting on our side! If preparation for the event we have on the 6th ends up needing to take place on the afternoon of the 5th, we may have to be flexible but let's lock in the 5th.

Does 3pm at the DOE on the 5th work?

Thank you,

Izzy

Hi Mimi!

I know we have pre-set meetings in place in preparation for our event on the 6th but let me see if I can move a few things around that are in the afternoon and get back to you.

Have a great weekend.

Could the afternoon of the 5th work? If not, I believe the next time Darren is in town is early June. I will confirm dates if the 5th does not work.

Hi Mimi!

Thanks so much for the follow up. Do you mind filling out the form attached with any updated info we should be aware of please! May is definitely going to work much better to find a time for them to connect and we intend to make something happen, but the 6th is already booked for some commitments the Secretary has on the hill.

Are there any dates Darren will be in town the week following. We could look to put a tentative hold on the calendar and touch base about two weeks out to confirm if that would be okay.

Thank you,

Izzy

Hi Izzy- I hope you are well. Thanks for your willingness to have the Secretary connect with Darren in the past. I have Darren back in DC on May 6 which is past the 90 day period we discussed. Does the Secretary have any availability to meet after 11 am?

Thank you for your consideration. Let me know if you need anything further from my end.

Best, Mimi
