Dear Secretary Zinke:

I am writing to request a meeting for Jeff Shellebarger, President of Chevron North America Exploration and Production Company, during his upcoming visit to Washington, DC. Mr. Shellebarger manages Chevron's upstream operations in Canada and in the U.S., including our offshore assets in the Gulf of Mexico, oil and gas assets across the continent, as well as our natural gas from shale assets. He would like to discuss Chevron's presence in the Gulf of Mexico and the Permian Basin, the Department's proposed National Outer Continental Shelf Oil and Gas Leasing Program, and financial assurance. Mr. Shellebarger would also be prepared to discuss issues on your agenda.

Mr. Shellebarger will be traveling to Washington over the next week and has availability to meet on Friday, June 8th and Monday, June 11th. His schedule is otherwise flexible—we are happy to work with your office to find another mutually beneficial time on your calendar if those dates are unavailable.
