TITLE "Lithosol" Fast Violet 4RNL Paste

Rebleach for Quality Improvement

PREPARED BY: J. G. Laytham

PURPOSE OF TEST: Lot 86 of "Lithosol" Fast Violet 4RNL Paste was off-quality in alkyd paint grind testing (jiffy mill test). It was the purpose of this trial run to improve the quality of this material to meet specifications. An alkaline bleach treatment was used.

RESULTS OF TEST: After bleaching, this lot was standardized and shipped as Lot 87.

RECOMMENDATIONS: Since this processing was an expedient to dispose of a dump and hold lot, further use is not anticipated.
