Dear Mr. Laws,

Thank you for your letter dated the 14th May with regard to the question of Workmen's Compensation in relation to the cutting and treatment of Asbestos-Cement Sheets.

We are of course, only too happy to give you any assistance in this matter and I have therefore passed your letter to my colleague, Mr. R. Newton, who will be writing you in the near future giving chapter and verse on the essential points to be considered.

With kind regards,

Yours sincerely,
