**Subject:** FW: Agency Reform and Restructure plan

Hi everyone,

Please see the trailing messages from Lenise to the Chief and Deputy Chief's about the agency reform and restructure plan that is due to the Department by July 12<sup>th</sup>. Since we won't have a COS meeting Tuesday, June 27<sup>th</sup>, it might be useful for us to meet during that time to discuss this ask. If you all will be around and are agreeable, I'll send out an invite.

Thanks,

Colleagues- please see note below that I shared with the Chief and Angela earlier this week. I now have some ideas about what we should put forward including

(b)(5);Deliberative Process Privilege

I am going to need your help thinking this

through, vetting ideas and getting the proposals in the proper format. This is due to the Dept. July 12, and having the NLC next week really challenges us to have time together to think and talk about this request.

Andria will share the template for proposals with your Chiefs of Staff. Meanwhile I have attached the re-shaping "framework" we worked on together a few weeks ago in case it stimulates some more ideas for what we should go forward with.

**Subject:** Agency Reform and Restructure plan

Today OBPA sent agencies Budget officers directions for providing Agency reform and restructure proposals to be submitted with the 2019 Agency Request. The proposals are due to OBPA July 12, and the preliminary target for 2019 Budget submission is (b)(5);Deliberative Process Privilege This isn't a hair on fire drill; we can do this. I am just going to need some exec/ELT attention in the next 2 weeks and I know there is a lot already going on.

(b)(5);Deliberative Process Privilege

anyway. I'm going to think on it overnight and will provide additional thoughts tomorrow. Please let me know if you have immediate questions and/or concerns about how to move forward.
