New York State Department of Safety Services
80 Center Street
New York, New York

ATTENTION: Mr. A. Isola
Chief Inspector

Dear Mr. Isola,

This is to certify that the spray fireproofing materials supplied to the Bennett College project at Millbrook, New York and applied by our applicator, Davis Acoustical Corporation, Troy, New York does not contain asbestos.

The product marketed under the trade name of Monokote MK-IV in addition does not contain any known harmful ingredients. Enclosed is a report of MK-IV from Arthur D. Little testing firm in Cambridge, Massachusetts.

If we can be of further service, please do not hesitate to advise.

Sincerely,

Zonolite Construction Products
W. R. Grace & Company
