no it is not related to harvey

i have asked christie before she was away a few weeks ago

i believe sinclair on court to overturn epa decision on its RFS exemption denial

i worked with christie on a story back in 2015 about how many small refiners got RFS exemptions

the answer was none, i believe

or maybe 1-2

so i am doing a follow up to see how many small refiners get rfs exemption 2 years later

thank you very much

Thanks

thank you Christie and hello julia

could you please point me in the right direction on where to get the number of small refineries and who they are for exemptions of RFS?

from previous conversations with christie, no refineries were given RFS exemptions back in 2014-2015

i am wondering about 2016-2017-2018

thank you very much

best  
edgar
