PRUITT17 - MI Lunch Lecture on 6-21-17 - DRAFT (for approval).pdf

Good morning, all!

As promised, I've attached a draft of the invitation for the Administrator's appearance on the 21st of next month for your team to review. It's pretty standard, but please don't hesitate to let us know if there's anything you'd like changed or added. If you can have any edits to us by Friday, that would be great.

Feel free to reach out to me directly should you have any questions, concerns, etc.

Best,

-Ralf

Hi Sydney,

If you could have Admin. Pruitt arrive at 11:45 am the time frame will be 12 – 2 pm.

We are in the process of changing the venue as soon as we have it nailed down I will send you an update.

Best,

Taisha

Quick question. What time is he to address the board on the 17th?

Thanks!

11:30 should work well. Would you mind to kindly send a call in number?

Also, looks like May 17th is good on our end. So, he will address the board on May 17 and address the lunch on June 21.

Thanks Ralf!

Hi Millan!

The 26th works best on our end for a call. Would 11:30am work for you all?

Thanks!

Good morning Ralf -- unsure yet on the 17th but should hopefully have answer for you by the end of the week.

Yes, a call would be great. With it being Easter recess, we are traveling next week with the Administrator so could we maybe look at the 25th or 26th?

Thanks so much,

Millan

Not a problem, Millan!

We're very excited to be able to welcome Admin. Pruitt back to the Institute for a June 21st luncheon event. Just to double-check, he'd be unavailable to also address our board on the 17th of May, correct?

I've Cc'd our events director, Taisha Camacho, who will begin working on securing a venue. I think it would be a good idea to perhaps get on a short call in the next week or two with her, our comms director, and the relevant members of your team to discuss some logistical matters. Let us know if/when you might be available to do that.

Looking forward to working with you again!

Ralf,

Thank you so much for following up. He definitely wants to participate here. If lunch on June 21st is still available then that will work for us!

I apologize that it took us this long to get you an answer.

Hi Millan,

Hope you had a great weekend. I just wanted to follow up to see if your team has had a chance to think about possible dates yet. As you can imagine, our program calendar is pretty robust, so we try to be as strategic as possible in calendaring our smaller events around appearances by high-level speakers such as Admin. Pruitt. That said, if you can give us an idea of what week(s) Admin. Pruitt might prefer (even if not an exact date yet)—or if he's leaning toward speaking at our private board meeting next month in lieu of a public event—that information would be helpful to our event staff in their planning of the broader program calendar.

Best,

-Ralf

Ralf,

Yes, everything was perfect with the request form. The Administrator very much wants to participate here so we are just working on determining the best date.

Dean - it is a pleasure to meet you via email. This sounds like a wonderful opportunity. It is very kind of you all to want to include him! Would you be willing to share what questions you would have of him for this video, who all will be seeing it, and when you would like to do the filming?

Thank you very much,

Millan

Hi Millan!

Just thought I'd check in to make sure everything was okay with the request form I submitted last week. As always, feel free to let me know if you need anything further on my part.

I also wanted to introduce my colleague Dean Ball (Cc'd), who is putting together a short 40th Anniversary video to be shown at our annual Hamilton Awards Dinner (to which the Administrator has also been invited). The video would feature interviews with several of our country's most prominent political and intellectual figures discussing their thoughts on MI's past, present, and future; and we'd be honored to include Administrator Pruitt. It would only require about 30 minutes of his time, and we would be more than happy to send someone down to his office to film. If that's something you guys are open to, please feel free to coordinate with Dean.

I look forward to hearing back from you soon.

Kind regards,

-Ralf

Good afternoon, Michelle!

My name is Ralf Mangual, and I manage legal policy projects here at the Manhattan Institute. I just got off the phone with Millan Hupp who kindly returned my call in regards to an invite our President would like to extend to Administrator Pruitt. She asked me to send an e-copy of the letter (see attached) your way. We're thinking late May but are very flexible in terms of timing.

Please don't hesitate to reach out to me at any time if you have any questions or need more information. Thanks in advance for your time, and I hope we'll have the pleasure of hosting Administrator Pruitt again soon.

Kind regards,

-Ralf

MANHATTAN

INVITES YOU TO A LUNCH CONVERSATION

FEATURING:

Administrator, Environmental Protection Agency

Wednesday,
June 21, 2017

Harvard Club
35 West 44th Street
New York City

RECEPTION:
12:00 - 12:30 PM

LUNCH SERVED:
12:30 - 1:00 PM

PROGRAM:
1:00 - 2:00 PM

AN EPA THAT WORKS RECONCILING ENVIRONMENTAL PROTECTION AND ECONOMIC GROWTH

When President Trump signed an executive order earlier this year undoing Obama-era environmental regulations, he told the crowd assembled at the Environmental Protection Agency: "I am taking historic steps to lift restrictions on American energy, to reverse government intrusion, and to cancel job-killing regulations." The man tasked with carrying out this mission is new EPA Administrator Scott Pruitt, who previously served as Attorney General of Oklahoma.

As Oklahoma AG, Pruitt was a leading opponent of overreach by the Obama EPA, resisting initiatives to impose federal control over carbon emissions, via the Clean Power Plan, and to expand the agency's power to regulate development, via the Clean Water Rule. Now, as the EPA's boss, Administrator Pruitt is presenting a sharp contrast with the previous administration, declaring: "I believe that we as a nation can be both pro-energy and jobs, and pro-environment. We don't have to choose between the two."

Administrator Pruitt has a full agenda, from efforts to increase the quality of American air and water to determining the future of the Paris Agreement on climate struck by the Obama Administration. Please join Administrator Pruitt, as he shares his vision for the EPA with Howard Husock, MI Vice President for Research and Publications.

To RSVP, please call **646-839-3372**

If you accept and find you are unable to attend, please be sure to let us know.
Please also note the Harvard Club's business-attire dress code: jacket and tie (no jeans).
