Mr. S. F. McKenna

Attached is the memo concerning the July 21 NIOSH meeting I mentioned to you this morning. Since I will be out of the office the remainder of today and all of Wednesday, if you seek additional information before I return Howard Meyer will be pleased to accommodate you.

OK with me as long as Dr. Northrop understands that #4, P.2 is important. I don't want anyone to give any indication to any group or individual outside the

Company that we have an asbestos problem. If the facts indicate otherwise, or if the facts indicate internally, Street 7-15
