Dear Catherine Price:

On June 04, 2024, the U.S. Environmental Protection Agency, along with the Kentucky Department for Environmental Protection (KDEP), conducted a CEI at University of Louisville – ESPC, located in Louisville, Kentucky, to determine the facility's compliance status with RCRA and applicable regulations.

Enclosed is the EPA RCRA inspection report which indicates that deficiencies of RCRA were discovered during the inspection. A copy of this report has been forwarded to the KDEP for follow-up and further review.

If you have any questions regarding this matter, please contact Kayla Acosta, of my staff, by phone at (404) 562-8451 or by email at acosta.kayla@epa.gov.
