To Distribution
From Tom Grumbles
Date December 19, 1980
Subject MATERIAL SAFETY DATA SHEETS

Enclosed are the final drafts of Material Safety Data Sheets for 12 of the Chocolate Bayou Products. As described in our letter of March 17, outlining the development process, we need your final review and comments before printing and distribution of the sheets.

Please return your comments to me by January 12. If no comments or changes are noted, no response is necessary. Your prompt action on this matter is appreciated.
