

1 change?

2 A It has been pretty constant. Some of the
3 members have elected to not -- no longer serve on the
4 panel for some reason.

5 For example, Dr. McCaughey, who was the
6 chairman of the panel, who is in Ontario, Canada,
7 Ottawa; he declined because, unfortunately, he is ill
8 and didn't want to serve.

9 Dr. Battifora used to be on the panel, but
10 he became too busy with other types of
11 responsibilities. So, he is no longer on the panel.

12 Q Doctor, do you have any other publications,
13 in addition to this book, in the medical and
14 scientific literature and the peer-reviewed
15 literature?

16 A Many.

17 Q Do any of those other articles in the peer-
18 review literature discuss asbestos and asbestos-
19 related disease?

20 A Many of them do, yes.

21 Q Approximately how many in that area?
