SUPPLEMENT TO LABOR AGREEMENT
CONSTRUCTION AND RELATED WORK

Be it agreed, and it is hereby agreed, that Article V, Paragraphs 1 and 2 of the Labor Agreement executed March 1, 1950 between the Celanese Corporation of America and Arthur Brothers, as amended, is further amended to read as follows:

"1. The Contractor's fee shall consist of a percentage of the labor costs, as described in Article IV, Paragraph [illegible] of this agreement for all straight time hours worked, computed in accordance with the schedule listed below. For the purpose of calculating the fee payable for straight time hours worked hereunder, labor costs shall be exclusive of Workmen's Compensation, Unemployment Insurance, Liability Insurance and all other costs except the actual amount earned as figured by multiplying hourly rates by total hours worked.

If Total Labor Costs Are:	Fee
Less than $5,000	20%
$5,001 to $15,000	19% ✓
More than $15,000	18%

"2. If overtime, or other than straight time hourly wages are authorized and paid for work performed, the contractor's fee shall be computed as follows:

A) For all payments in excess of straight time hourly payments, the contractor's fee shall consist of 10 percent (10%) of such premium payments.

B) For the straight time portion of such payments, the contractor's fee shall be computed in accordance with Article V, Paragraph 1 above.

This Amendment shall be effective as of November 17, 1952.
