We have several exciting events coming up that we wanted to let you know about.

Our 5th Annual California Wine, Wings & Wildlife will take place in Sonoma, CA on June 21st and 22nd. Then on July 9th, we are delighted to host the Conservation Classic at Sanctuary in Sedalia, CO. Both invites are attached, as well as more information about our sponsorship levels. Please let Kelli Roessler or myself know if you have any questions.

Thanks,
PJ
