Dear Steve: **REDACTED**

In re: : v. Sherwin-Williams
8209 00116
May 15, 1981

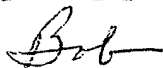

This case was on the Litchfield docket February 2, 1984. There was no indication from Ron Scharf, by request for hearing or otherwise, that he wanted to proceed. The day to which Arbitrator Boyd put over the February cases was June 7, 1984. Your note to the bottom of the second request, Steve, asks if we need anything else. I think not, - except for the fact that you and I discussed the possibility of getting a toxicologist's opinion on zinc oxide. I've never done that, and now that I'm reminded will see if I can turn up someone here locally that would fit that bill.

Other than that, I see no point in pushing Scharf.

Sorry I overlooked answering your original inquiry of December 23.

With best personal regards, I am

Very truly yours,

Robert L. Mueller
