

CONCORDE SIDING

For the expensive look of hand-split wood shakes on mansard roofs, as well as sidewalls.

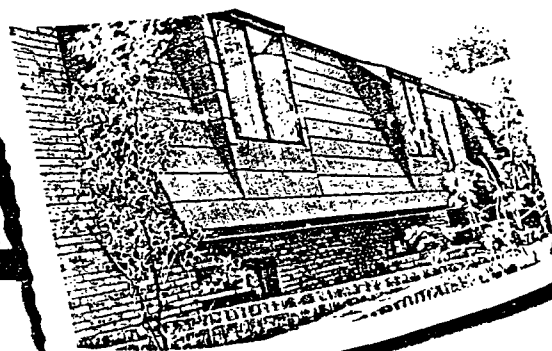

Use this man-made siding on homes, Apartments, Motels, Shopping centers. On any building you want to stand out—beautifully. • CONCORDE won't burn, rust, dent, or rattle. It's termite-proof. Resists rotting, peeling, blistering. Needs no painting. And all 8 colors are protected by an invisible polymer-plastic shield. • Show off your good taste, your good judgment, with CONCORDE, the show-off siding. Your U.S.G. man has the facts. Or write us: 101 S. Wacker Dr., Chicago, Ill. 60606, Dept. XX-00.
