This will acknowledge your letter of June 4th regarding the above asbestos account. You may continue to honor the blanket order you have already received for the balance of 1980. Inasmuch as they may not be purchasing much more product based on current demands it is satisfactory for you to continue until the end of the year.

However, please make sure they understand that we will not handle their orders beginning in 1981 and suggest you make every effort to work with Georgia Kaolin on a possible replacement so you can retain business at this account.

Cordially,

Bob Mann
