He sent it to a lab, and it was cancer.

Q Is that the word that Dr. Steers would use with you, the word you just said, cancer?

A Yes.

Q Now, do you remember when Dr. Steers operated on Mr. Vandergucht the second time?

Do you remember that?

A Yes.

Q Did you go into the room after the operation and talk with Dr. Steers?

A Yes, my husband was not awake.

Q He was not awake?

A He was not awake yet when Dr. Steers took me out to the hall, and told me that he had bad news for me because he found -- it was like grass seed, the tumor, grass seed.

Q He described it like grass seed?

A Yes, he said it was like grass seed, the tumors, on his abdomen and that there was nothing he could do.

Q Even though he said that there was nothing
