Ryan--

FYI...I submitted a formal scheduling request for a meeting with Administrator Pruitt for Wayne Natri, executive director of the SCAQMD, while he is in town next. You'll recall meeting with him and some of his staff a few months ago. This would be a brief courtesy meeting just for Wayne and me. If it doesn't work now, can we look for another opportunity sometime in Sept? Call me if you get a chance.

Ryan:

Thank you again for taking the time to meet with the folks from South Coast AQMD while they were here last week. They appreciated it very much and, in line with your recommendations, had additional helpful meetings with Jim Herz at OMB and Alex H at CEQ, and various Congressional offices. Again, appreciate your help, and will stay in touch.

Best,

Gary
