Manufacturers, Importers and Exporters of MINERALS, COLORS AND PIGMENTS

- | | | |
|---|---|---|
| Albatex —Substitute for Zinc Oxide in Face Powder, Leather Finishing, Etc. | Earth Colors —Natural and Lo-Micron | Ochre —Domestic and French Type American |
| Aluminum Silicate —Natural, High and Low Al_2O_3 | Feldspar —Powdered, Abrasive, Cleanser, Welding Rods, Enamel, Glass, Potters, Glaze, Ceramic | Paris White —Powdered |
| Aluminum Stearate —High and Low Gel | Fibrous Talc —Paint, Paper, Powdered, Ceramic, Lo-Micron | Phthalocyanine Blue |
| Aqualine Blue | Filter Aids —Fullers Earth, Talc, Magnesia Carbonate | Plaster Paris —Common, Gauging, Dental, Orthopedic, Potters |
| Asbestos —Shorts, Paper, Spinning, Fibre and Powdered | Filtering Earths —Clays, Fullers Earth | Plumbago —Powdered |
| Atomite —Natural Calcium Carbonate, Wet Ground, Controlled Particle Size | Flint —Powdered and Graded | Pumice Stone —“VALENCIA” All American—Powdered, Granular, Lump |
| Barium Carbonate | Fluorspar —Powdered | Pyrophyllite —Ceramic, Rubber, Insecticide, Battery Filler Refractory Grade |
| Barium Sulfate —Natural, Precipitated, X-ray | Formaldehyde Dust —Agricultural | Quartz —Powdered and Granular |
| Barytes —Off Color and Prime White Water Floated | Fossil Flour —Infusorial Earth, Diatomaceous Earth | Red Oxide —Pure Copperas and Venetian, Spanish |
| Bentonite —High and Low Gel, Powdered and Granular, Volclay | Fullers Earth —Powdered | Regaline Blue |
| Blacks —Lamp, Mineral, Oxide | Graphite —Powdered | Rottenstone —Powdered |
| Blanc Fixe —By Product and Direct Process | Ground Glass —Powdered | Rouge —White, Red, Black, Green |
| Blue —Ultramarine | Gypsum —Terra Alba, Plaster of Paris | Sericite —Micaceous, Roofing, Mould Lubricant |
| Calcite —Granular and Powdered | Hydrated Lime —Powdered | Siennas —Raw and Burnt |
| Calcium Carbonate —Natural and Precipitated, Commercial, Technical and U.S.P. Grades | Hydro Magma —Concentrated Magnesium Hydroxide for Milk of Magnesia | Silex —Powdered |
| Calcium Hydroxide —Powdered | Infusorial Earth —Fillers, Abrasive, Paint, Paper, Rubber, Insulating | Silica —Sand, Quartz, Amorphous, Diatomaceous |
| Calcium Oxide —Burnt, Quick, Caustic | Iron Oxide —Red, Black, Yellow | Slate —Gray, Red, Green |
| Calcium Stearate —Precipitated | Kaolin —Washed and Colloidal, Air Floated, Lo-Micron, Lump | Soapstone —Powdered, Granular, Blocks, Air Floated, Lo-Micron |
| Calcium Sulfate —Anhydrous and Natural, Plaster of Paris, Terra Alba | Kieselguhr —Natural Filler, Abrasive, Paint, Paper, Rubber | Solar Shade —Green House Shading |
| Chalk —Drop, Lump, Prepared, Cliff-stone, Whiting, Precipitated, U.S.P., French, Paper, Rubber, Cosmetic | Lime —Powdered, Lump, Vienna | Stearates —Aluminum, Calcium, Magnesium, Zinc |
| Clays —Colloidal, English, Domestic, Ball, Modeling | Limestone —Ground and Agricultural | Steatite —Powdered and Block, (Talc) |
| Cliffstone Whiting —Dry and Wet Ground | Magnesite —Calcined, Caustic Burned | Stearic Acid —Impalpable Powder, Flake, U.S.P. |
| Colors —Natural Earth and Certified Cosmetic | Magnesium Carbonate —Light and Heavy, U.S.P. and Technical | Talc —All Grades: U.S.P., Lo-Micron, Cosmetic, Fibrous, Paint, Ceramic, Rubber |
| Cosmetic Colors —Certified and Lo-Micron | Magnesium Hydroxide —Medicinal, Powdered, Paste | Terra Alba —Domestic and English |
| Crocus Martis —Venetian Red | Magnesium Oxide —Light and Heavy, U.S.P. and Technical | Tripoli —Powdered |
| Chromium Oxide Green | Magnesium Silicate —Lo-Micron, U.S.P., Ground, Fibrous | Umbers —Raw and Burnt |
| Diatomaceous Earth —Abrasive, Polish, Fillers, Paint, Paper, Insulating | Magnesium Stearate —Powdered | Venetian Red —Crocus Martis |
| | Marble —Powdered and Granular | Vienna Lime —Powdered, Lump |
| | Maglite —Commercial Grade Magnesium Oxide | Volcanic Ash —Fine Ground |
| | Mica Ground —Water and Dry Ground, Paint, Paper, Roofing, Xmas Snow | Volclay —Bentonite with High Gel; Crushed and Air Floated, Granular |
| | | Whiting —Chalk and Limestone, Precipitated, U.S.P., Commercial |
| | | Yellow Oxide —Natural, Benzalene |
| | | Zinc Stearate —U.S.P., Technical |
