Dr. B. M. G. Zwicker
Director, Technical Planning
B. F. Goodrich Chemical Company
6100 Oak Tree Boulevard
Cleveland, Ohio 44131
U. S. A.

Dear Dr. Zwicker:

I am taking the liberty to inform you that the Japanese PVC Association have decided to send a mission to the United States to survey the actual situation of the serious health problem concerning vinyl chloride monomer in your country and to receive valuable advice and information from you on this matter.

The following six people will compose the mission scheduled to leave Tokyo on the 6th of July with plans of staying about ten days in your country:

Dr. Kameo Hasegawa
Medical Director
Mitsui-Toatsu Chemical Co., Ltd.

Dr. Mitsuru Suzumura
General Manager of Clinic
Toa-Gosei Chemical Industries Co., Ltd.

Mr. Kyohei Kawai
General Manager
Environmental Protection & Health
Toa-Gosei Chemical Industries Co., Ltd.

Mr. Keiji Kano
Manager
Technical & Quality Control, PVC Division
Kanegafuchi Chemical Industries Co., Ltd.

Mr. Osamu Egawa
Manager
Production & Technical Dept., Kikumoto Plant
Sumitomo Chemical Industries Co., Ltd.
